

We Mercies

Care for Creation

As we take the first step, let us remember the traditional custodians of the land

Earth's Desire

To be seen
in her loveliness
to be tasted
in her delicious fruits
to be listened to
in her teaching
to be endured
in the severity
of her discipline
to be experienced
as the maternal source
whence we come
the destiny to which
we return

Thomas Berry, C.P.

May/June 2017
Ed. Anne McLay
